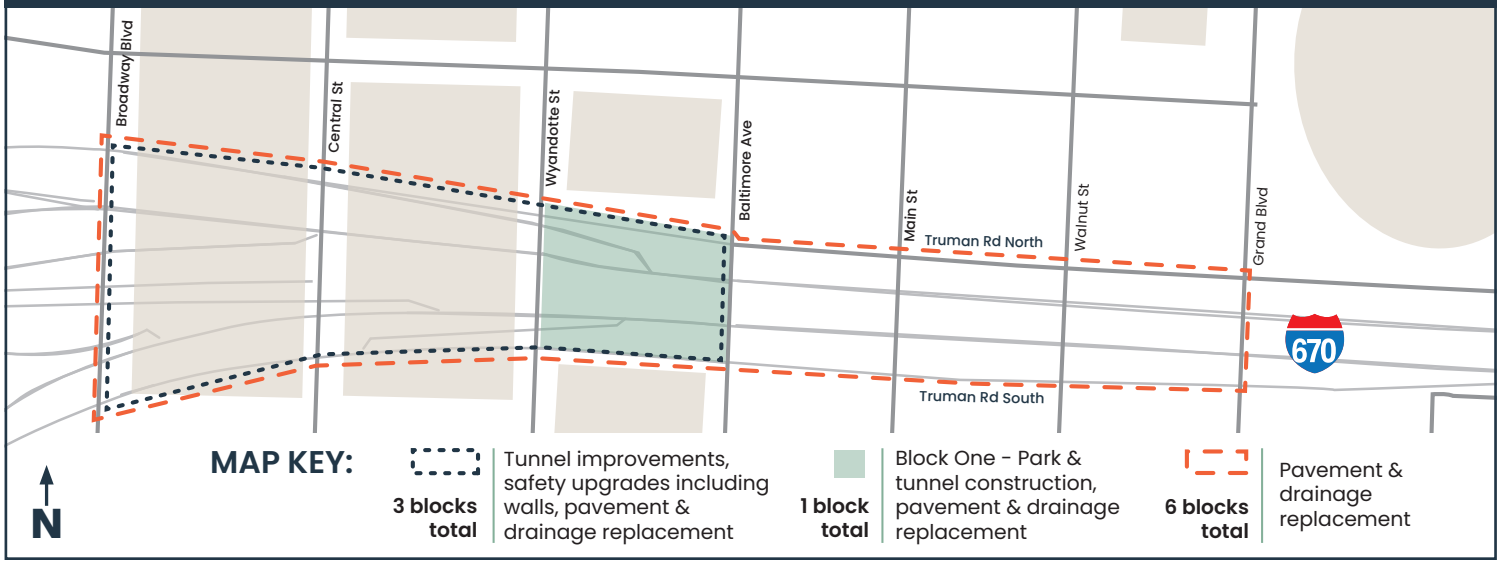
Phase One Construction



The Roy Blunt Luminary Park is a sustainable urban park and public green space over Interstate 670 (I-670) in downtown Kansas City, Missouri.

I-670 CLOSURE

- **I-670 is scheduled to close early December 2026, through September 2028.**
- The project closes eastbound and westbound of I-670 from I-35 to U.S. 71 Hwy for the duration of the project.
- Highway construction on 1-670 stretches from Broadway Blvd. to Grand Blvd. Tunnel work extends from Broadway Blvd. to Baltimore Ave. The first block of the new park sits between Wyandotte St. and Baltimore Ave.

CITY STREET CLOSURES

- **Street and lane closures impacting eastbound and westbound Truman Road, Wyandotte St, and Baltimore Ave. are scheduled to continue through spring 2029**.
- The project will close eastbound and westbound Truman Road from Broadway Blvd. to Baltimore Ave.
- Intermittent street closures and lane reductions are scheduled periodically as work progresses to facilitate construction and utility tie-ins.

General Project Timeline

- **December 2, 2026 - September 2028:** I-670 closed in both directions from I-35 to U.S. 71 Hwy.
- **September 2028**: I-670 is scheduled to reopen in both directions.
- **Spring 2029:** Anticipated construction completion for Block One of the park.

How to Prepare & Stay Connected

- Sign up for Luminary Park construction email updates, https://luminarypark.org/construction.
- Visit the Phase One construction webpage for maps and FAQs, https://luminarypark.org/construction.
- Plan ahead and use navigation apps to map your route.

Continuing to build a brighter downtown, one block at a time.

Thank you for your patience!
